Greetings!

Please share the details for the 2017 IRTS Summer Fellowship Program! Eligible students have the chance to participate in an exciting media industry internship in New York City that includes travel, accommodations and an allowance!

Students selected for this highly competitive program learn about opportunities throughout the media industry, in addition to interning at a specific company where skills are matched to a corresponding area of our business. Accomplished students from all majors (including **math, liberal arts, computer science, business, marketing, communications,** etc.) are encouraged to apply.

The IRTS Summer Fellowship Program has had a key role in launching the careers of top professionals in the media business for more than 45 years.
