

Respiratory Therapy BS Plan of Study REAL Core - Advising

Note	Course Number	Course Name	Credit Hours	Semester Enrolled	(T)ransferred or Final Grade	
ENGIL 111						
Wit Course	ENGL 111		3			
Math	WI Course	Any course with WI designation (Recommend ENGL 112)	3			
R.A.L Courses Fulfilled by RETH coursework	WI Course		3			
E Course	Math	Any foundational Math 100, 121, 125	3			
E Course	R, A, L Courses	Fulfilled by RETH coursework				
E Course	E Course	Any course with E designation (Minor or Major)	3			
E Course	E Course	Any course with E designation (Minor or Major)	3			
E Course	E Course	Any course with E designation (Minor or Major)	3			
BIOL 310	E Course	Any course with E designation (Minor or Major)	3			
BIOL 311	E Course	Any course with a 300 level E designation (Minor or Major)	3			
Electives	BIOL 310	Human Structure and Function I (R)	4			
Electives General elective credits 3 3 5	BIOL 311	Human Structure and Function II (R)	4			
Electives	Electives	General elective credits	3			
Electives General elective credits 3	Electives	General elective credits	3			
TOTAL CREDITS Needed to Progress (GPA >2.5) OR JUNIOR LEVEL TRANSFER CRITERY 47* Year Three - Fall Semester	Electives	General elective credits	3			
Vear Three - Fall Semester						
HLTH 215 Medical Terminology 3 RETH 302 Foundations of Respiratory Care I 4 RETH 304 Cardiopulmonary Anatomy & Physiology 3 RETH 305 Integrated Sciences for Respiratory Therapy 3 RETH 308C Clinical Practice I (L) 1 RETH 309 Patient Assessment (A) 3	TOTAL CREDITS Needed to Progress (GPA >2.5) OR JUNIOR LEVEL TRANSFER CRITERIA – 47*
